Dear Sir,

### ABB LOYAL PANEL BUILDER

We are glad to inform that M/s Al Sabir Switchgear Mnfg., P.O.Box no. 21951, Sharjah, U.A.E. is one of our loyal panel builder using our LV components in their L.V. panel boards for various project. ABB components like ACBs, MCCBs, MCBs, ELCBs, Load Break Switches and Isolators etc. are designed for installation in Panel Boards and are used by Panel Builders and Assemblers throughout the world.

ABB provides all technical training to Panel Builders for selection, installation and maintenance of our components, which are installed into their switchgear cubicles. And as a supplier of standard Low Voltage Products, we have no objection that such products are installed into switchgear cubicles manufactured by M/s Al Sabir Switchgear Mnfg., P.O.Box no. 21951, Sharjah, U.A.E.

The standard "ABB Guarantee" is applicable for all components purchased from our product range through authorized distributors, provided they are selected and installed as per electrical regulations and ABB instruction manuals. As panel builder, M/s Al Sabir Switchgear Mnfg., P.O.Box no. 21951, Sharjah, U.A.E. is responsible for quality of final product.

We wish M/s. Al Sabir Switchgear Mnfg. all the success.

With Best Regards,

*Mohan*
